**RE: DEBTOR'S TWENTY-EIGHTH OMNIBUS OBJECTION TO CERTAIN CLAIMS  
BANKRUPTCY CASE NO. 13-53846 - (Insufficient Documentation) - 3522**

Dear United States Bankruptcy Court:

I would like to response to the objection of my claim in the above referenced case.

I would like to declare that as stated in my claim for the amount of \$30,000.00 the following is true:

I did suffer loss / reduction in my wages by a 10% pay cut issued by the City of Detroit.

I did suffer loss / reduction in my wages by an additional 4% pay cut issued by the City of Detroit.

I did suffer loss in the ability to receive merit pay, step increases, reimbursement for jury duty, tuition reimbursement, Election day time off, sick time, swing holidays and out of class pay for working in a manager position.

I did suffer increased health care premium costs and co-pays, yet lowered medical insurance coverage.

I did suffer loss of longevity payment at the starting point of \$150 per year until the current date.

I did suffer loss of funds from my annuity / pension with the City of Detroit specifically with the Claw back of \$8,200.00.

I declare that the City of Detroit in its capacity as my employer has the data needed to compile the totals of these losses by fact of my employment with it.

To calculate the reductions I received in my wages and other benefits, the City of Detroit has access to this documentation in my employee files used to make those deductions.

Notice of these deductions were provide by the City of Detroit to each of its employees when they were made upon us.

The Human Resources Department and Payroll Divisions of the City of Detroit already have this information on behalf of the City of Detroit for this Court action.

The City of Detroit in its own interest would make these calculation difficult to obtain by each claimant to give more weight to its case to disallow and/ or expunge each applicants' request.

I am a member of APTE union and request that as a member their arguments against this notice be applied towards my claim.

For these reasons, the City of Detroit should not be allowed to disallow and / or expunge my claim.

I would like to request that I be excused from attendance to the hearing to be held on March 30, 2016, due to work assignments at the City of Detroit particularly during this time of transition in my Department.

Sincerely,

A handwritten signature in cursive script that reads "Dinah Bolton".
